First Time Visitors

First time visitor? Delphion — the pioneer in Internet based patent research — is making patent information accessible to everyone. The following will give you a quick overview of what the Delphion website offers.

About the Delphion Website

Delphion research is the most powerful, yet easy to use site for searching, exploring, and analyzing patents and related information. Use the Delphion website to:

1. Search for patents or patent-related information:
 - o [Overview of research related products and options](#)
 - o [Descriptions of our collections](#)
 - o [Description of Delphion subscription packages](#)
 - o [Quick search page](#)
2. [Search for patents that are available for license](#) from the patent owner or [list your intellectual property for license](#) by another party with our IP Listing service.
3. Learn about the [Delphion Patent Office Solution](#).
